Alcohol Network
Fetal Alcohol Spectrum
Disorder
Awareness Video Contest
FASD Day 2009

September 9, International FASD Day, is a time to bring our community together, in recognition and support for those impacted by Fetal Alcohol Spectrum Disorder.

We are looking for enthusiastic, creative people to help us celebrate FASD Day 2009 by submitting video public service announcements about FASD! There will be an evening celebration and awards show on September 9 to announce the winners of the contest!
